### SUPPLEMENT TO FEE AND EXPENSE APPLICATION OF HENINGER GARRISON DAVIS, LLC AND ITS CO-COUNSEL

Heninger Garrison Davis, LLC ("HGD") by itself and jointly with other law firms (collectively "Team HGD"), submits this Supplement to its Fee and Expense Application (Doc. 349) pursuant to this Court's Order dated July 18, 2018 (Doc. 352). HGD has attached the requested supplementary spreadsheets for Team HGD as exhibits hereto.

HGD's reported time for common benefit work on behalf of class members is 7,097.50. Doc. 349 at 40. The record evidence describes this work and the lodestar it yields. *Id.* at 10-11, 13, 20-25, 39-40 (including references to exhibits 7-10). Significant projects were assigned to HGD by the MDL PSC, all of which are common benefit work. The hours for that work are included in the 7,097.50 common benefit hours reported by the firm. Additional work by HGD benefitted the overall litigation effort, and those hours meet the description of work performed for the benefit of class members, making it compensable under the Settlement Agreement. Doc. 3507-2. Those hours are included in the 7,097.50 common benefit hours reported by the firm. HGD "reserved the right to seek payment" for this additional work in the unique participation agreement it struck with the MDL PSC. That unique agreement does not limit HGD's common benefit hours

to work expressly directed and approved by the MDL PSC. Each of these points is explained and demonstrated in the pending fee and expense application of the HGD Team. Doc. 349 at 10-13.

Respectfully submitted on August 3, 2018, by:
