Your lease is ending soon. This impacts one or more devices on your account.

Key things to know to avoid a big bill:

- You'll see a charge of $175.99 on your bill if you don't take any action by 08-18-2017. This is for the purchase option price on your device.
- Don't want to pay it all at once? We wouldn't either! You can split it into 9 easy payments. Check out t-mo.co/JODlease to get started.
- Ready for a new phone? We have great options to get a new device. Go to t-mo.co/JODlease to see what works best for you.
- You can also turn in your device at then end of your lease and owe nothing. Go to your nearest retail store for a device inspection and drop it off.

Thanks,
Your T-Mobile® team
