SUPPLEMENT TO THE FEE & EXPENSE APPLICATION
BY WATTS GUERRA LLP

Pursuant to the Order Regarding Attorney Fee Submissions, ECF No. 3613 (entered July 18, 2018), Watts Guerra LLP submits this Supplement to its Fee & Expense Application.[1] As were Watts Guerra's initial submissions, this Supplement is filed in both of the above-captioned

[1] ECF No. 3580 (filed July 10, 2018) (motion and twelve exhibits); ECF No. 3611 (filed July 16, 2018) (public filing of memorandum and two exhibits, which were initially filed under seal at ECF No. 3589).

proceedings—*In Re: Syngenta AG MIR 162 Corn Litigation*, MDL 2591 in the U.S. District Court for the District of Kansas before the Honorable John W. Lungstrum; and *In Re: Syngenta Litigation*, File Nos.: 27-cv-15-3785 and 27-cv-15-12625, a Minnesota Consolidated Proceeding in the Fourth Judicial District Court, Hennepin County, before the Honorable Laurie J. Miller.

To explain this Supplement, and in further support of its Fee & Expense Application, Watts Guerra states as follows:

1. The Order Regarding Attorney Fee Submissions, *supra*, directed all counsel who had applied for an award of fees or expenses to complete Court-provided Excel spreadsheets "so that certain basic fee and expense information can be presented to the Court and Special Masters in standardized summary format that will facilitate review and evaluation of hours and expense data." The Court directed counsel to file PDF printouts of these spreadsheets through ECF, and to submit an electronic copy in Excel form by email to the Special Masters.

2. Together with 328 law firms across the Corn Belt ("the Watts Guerra Group"), Watts Guerra represents more than 57,000 individual plaintiffs in the Minnesota Consolidated Proceeding. On July 10, 2018, for itself and its Group, Watts Guerra applied for a fee and expense award in an amount equivalent to a 24.16% contingent fee for its clients' gross recoveries under the Settlement (plus $12.85 million for Watts Guerra's common benefit expenses). As explained in that application (ECF No. 3580) and supporting memorandum (ECF No. 3611), given that Watts Guerra clients represent ***more than 23%*** of the U.S. corn harvest and ***more than 50%*** of the completed claims filed with the Claims Administrator as of July 2, 2017, that amount is likely to be ***at least $150 million***.

3. This Supplement further confirms the propriety and reasonableness of such an award of fees and expenses for Watts Guerra and its associate counsel.

4. Specifically, Watts Guerra submits Exhibits A to D hereto:

- Exhibit A is a PDF printout of the completed fee and expense spreadsheets for Watts Guerra.

- Exhibits B and C are PDF printouts of the completed fee and expense spreadsheets for 203 of the firms working with Watts Guerra as associate counsel, together with a PDF printout of summary spreadsheets showing the total investments of dollars and hours for each of those firms, as well as the aggregate amounts invested by those firms for each time and expense category.

- Exhibit D is the Supplemental Declaration of Mikal C. Watts explaining and authenticating Exhibits A, B, and C.[2]

5. Watts Guerra's Fee & Expense Application included a table of "Key Metrics." *See* ECF No. 3580 at 6. We now update that table to incorporate the supplemental information requested by the Court:[3]

Key Metrics for Watts Guerra's Fee & Expense Application (updated)	
Watts Guerra ("WG") alone:	Exhibit A
• Estimated Total Investment by WG in the Corn Litigation[4]	**$62,560,543.12** Including: $47,350,982.00 in time, and $15,209,561.12 in expenses
• Approved Common Benefit Work by WG	**$9,223,789.00** (13,822.38 hours)
• Other Work by WG	**$38,127,193.00** (373,217.03 hours)

[2] Exhibit D also corrects an error in the original Watts Declaration (Ex. 4, ECF No. 3580-5, filed July 10, 2018) as to four law firms who were mistakenly listed as WG associate counsel in this matter, but are not; and clarifies a statement in the Guerra Declaration (Ex. 5, ECF No. 3580-6, filed July 10, 2018) regarding non-attorney time.

[3] Citations to Exhibits A, B, C, and D refer to submissions herewith; other Exhibit citations refer to submissions with Watts Guerra's Fee & Expense Application (ECF No. 3580, filed July 10, 2018).

[4] This includes an anticipated 12,000 non-attorney hours ($1,200,000) and $95,190 in expenses, which hours and dollars WG estimates will be spent on this matter between August 3, 2018 and October 12, 2018. *See* Ex. D, Supp. Watts Decl. ¶9.

• Expenses paid by WG	**$15,209,561.12**

• Expenses paid by WGG	**$25,689,356.24**

Est. number of WGG clients for whom Watts Guerra brought suit in this matter (excluding claims since dismissed) ("Watts Guerra Plaintiffs")	**57,935** (total) **57,788** (farmers) **147** (grain elevators) Ex. 4, Watts Decl. ¶¶ 45, 55, 58
Est. percentage of U.S. corn harvest (2013-2017) represented by WGG producer clients	**23.1%** Ex. 3, TSA Report at 7

*We hired as a consultant in this matter, Mr. Gary Cauble, who is an active corn farmer, a graduate of Purdue University with a degree in Agricultural Economics, a former owner of a John Deere dealership, and former employee of Deere & Company, Indy Tractor, and Reynolds Farm Equipment. He facilitated communications with the corn farmers and assisted us by working with the corn farmers to identify and compile the documents necessary to support the client's claims. The consultant also assisted in preparing the information necessary for two Bellwether cases. The above fees and reimbursements were made consistent with our agreement with him.

STATE OF MINNESOTA COUNTY OF HENNEPIN	DISTRICT COURT FOURTH JUDICIAL DISTRICT
In re: Syngenta Litigation	Case Type: Civil Other Hon. Laurie J. Miller
This Document Relates to: ALL ACTIONS	FILE NO. 27-CV-15-12625 and FILE NO. 27-CV-15-3785

SUPPLEMENTAL DECLARATION OF MIKAL C. WATTS
IN SUPPORT OF
THE FEE & EXPENSE APPLICATION BY WATTS GUERRA LLP

I, MIKAL C. WATTS, declare as follows:

1. I am over the age of twenty-one years old and make this declaration based on my personal knowledge. If called as a witness, I could and would testify competently to the facts contained herein, which are true and correct.

2. I am an attorney presently employed as a capital partner of WATTS GUERRA LLP ("WG").

3. This Declaration is submitted in support of the Supplement to the Fee & Expense Application by Watts Guerra LLP ("WG Supplement") filed in *In Re: Syngenta AG MIR 162 Corn*

Litigation, a multi-district litigation consolidated in the United States District Court for the District of Kansas before the Honorable John W. Lungstrum, and *In Re: Syngenta Litigation*, a Minnesota Consolidated Proceeding consolidated in the Fourth Judicial District Court, Hennepin County, Minnesota, before the Honorable Laurie Miller. This Declaration also corrects two items in the Watts and Guerra Declarations (Exs. 4 & 5, ECF Nos. 3580-5 & 3580-6, filed July 10, 2018) in support of the WG Fee & Expense Application (ECF No. 3580).

4. The WG Supplement is made pursuant to Judge Lungstrum's Order Regarding Attorney Fee Submissions (ECF No. 3613), which required fee petitioners to supplement their prior submissions by "complet[ing] and submit[ting] an Excel spreadsheet in the form attached [t]hereto as Appendix A," using the Excel file posted on the page for this MDL on the Court's website.

5. I have personally reviewed WG's time and expense records for this matter, and personally categorized those time records and the expense records, as called for by the Court's Order and Excel spreadsheet.

6. As further explained below, there are four (4) material additions to WG's previous time and expense submissions (filed July 10, 2018). *First*, I have included some expenses not previously submitted to show the Court not only the volume of expenses involved in the common benefit effort, but also those monies expended by WG in its collection, organization, and prosecution of these cases individually. *Second*, I have updated our submission to reflect recent expenditures of time and expense, largely in two spreadsheet categories: "Assisting clients in perfecting claims in settlement" and "Preparation of fee petition." *Third*, because the Court's spreadsheet asks for time expended by "Non-attorneys," and WG had provided only a rough estimate of such time with its previous filing, I have caused my Mass Tort Department staff to

calculate and communicate the time expended on this case by WG's non-attorney employees. *Fourth*, we have projected the volume of non-attorney time, and the amount of money, likely to be expended between August 3, 2018 and the claims deadline of October 12, 2018 for the purpose of helping WG clients complete their settlement claim forms.

7. In reviewing its accounting files concerning this case in preparation for submitting this Supplemental Declaration, WG identified 3,653 expense entries—largely long-distance telephone expenses and spending for the July 11, 2018 client mailing—totaling $71,774.45 in expenses that have been recorded since my prior declaration in this matter was filed on July 10, 2018.

8. I caused my Mass Tort Department to research and calculate the time spent by WG non-attorney employees there on the litigation against Syngenta.

(a) WG Mass Tort employees are full-time or part-time WG employees, whether direct hire or temporary contract hire employees through Express Employment Professionals ("Express"), who primarily communicate with WG's clients in different mass torts it is litigating, sending clients letters and calling them, and then processing information received from clients into computerized Case Notes.

(b) Since the opening of the Syngenta case inside WG's Mass Tort Department, approximately 69.46% of all WG Mass Tort Department employee hours have been spent on the corn lawsuit against Syngenta. That overall percentage, 69.46%, was determined by taking the sum of the total hours spent by WG Mass Tort Employees working on Syngenta ("Total SYNG Hrs") from November 3, 2014 through July 22, 2018 and dividing by the sum of the total WG Mass Tort

Employee hours ("Total Employee Hrs") worked during that same period. In order to determine the Total SYNG Hrs, each employee was first reviewed on an individual basis and an approximation of the percentage of the employee's time spent on Syngenta ("% Primary Focus Syngenta") was determined taking into consideration the employee's responsibilities in regards to Syngenta versus other tort(s) and the demands of the litigation against Syngenta during a specific time period. Once the % Primary Focus Syngenta was individually determined, it was applied to the employee-specific total hours worked as per the time clock for the specified period. From there, the total time spent working on Syngenta could be approximated per time period and thus summed for the entire time range, or Total SYNG Hrs.

(c) There are several queries of WG's Mass Tort Department databases that further reaffirm our calculation as to the overall amount of time spent working on Syngenta versus all other torts during the same time period. First, a computer query of WG's Mass Tort database demonstrates that between November 4, 2014 when WG opened the tort against Syngenta and July 22, 2018 (the date of the query) WG Mass Tort non-attorney employees sent a total of 1,184,347 letters to clients, with 1,028,600 being sent to Syngenta clients and 155,747 being sent to other Mass Tort clients. In sum, 86.85% of all WG client letters sent between November 4, 2014 and July 22, 2018 were sent to its clients suing Syngenta.

(d) Second, a computer query of WG's Mass Tort database demonstrates that between November 4, 2014 when WG opened the tort against Syngenta and

July 22, 2018 (the date of the query) WG Mass Tort non-attorney employees placed a total of 495,962 calls to clients, with 369,551 being placed to Syngenta clients and 126,411 being placed to other Mass Tort clients. In sum, 74.51% of all WG client calls placed between November 4, 2014 and July 22, 2018 were placed to its clients suing Syngenta.

(e) Third, a computer query of WG's Mass Tort database demonstrates that between November 4, 2014 when WG opened the tort against Syngenta and July 22, 2018 (the date of the query) WG Mass Tort non-attorney employees processed a total of 2,284,668 case notes, with 1,622,586 regarding Syngenta clients and 662,082 regarding other Mass Tort clients. In sum, 71.02% of all WG case notes processed between November 4, 2014 and July 22, 2018 were regarding its clients suing Syngenta.

(f) Fourth, a computer query of WG's Legal Management System ("LMS") shows 2,886,318 documents relating to the Syngenta lawsuit, and 224,571 documents relating to active non-Syngenta mass tort cases; thus, 92.2% of all documents stored in WG's mass tort database known as LMS involve the Syngenta lawsuit.

(g) In total, WG calculates that its WG Mass Tort employees spent 9.05% of their time in 2014 (1,150.62 hours), 62.28% of their time in 2015 (75,125.84 hours), 74.46% of their time in 2016 (105,734.49 hours), 72.22% of their time in 2017 (94,206.75 hours), and 60.48% of their time in 2018 through July 22, 2018 (39,057.34 hours), working on the litigation against Syngenta. In sum, WG Mass Tort employees have spent approximately 315,275.04 hours on the Syngenta case.

(h) Additionally, temporary staff was hired through Express Employment Professionals ("Express") as needed from November 4, 2014 through July 22, 2018. In total, Express employees spent 93.28% of their time (or 44,790.49 hours) working on the litigation again Syngenta.[1]

(i) In sum, 360,065.63 hours (of 518,375.88 hours total) of WG/Express Mass Tort non-attorney time spanning 256 employees between November 3, 2014 and July 22, 2018 were spent working on the litigation against Syngenta. At an hourly rate of $100—an amount well below the rate regularly charged to other clients for paralegals—this translates to time value of $36,006,563.00.

(j) Inside of this amount, during the Plaintiff Fact Sheet (PFS") compliance project, we kept track of estimated time to sort boxes of documents received, confirm the separation of documents, to butterfly separate documents for purposes of scanning the documents, indexing the computer files created thereby, and double-checking the accuracy thereof. Additionally, WG received documents electronically from WG clients, and certain other documents required additional processing prior to submission to Syngenta. WG calculates that its Mass Tort non-attorney employees spent 105,448.03 hours processing documents sent by its clients to WG in compliance with the Court's PFS order.

9. In addition to other efforts to assist WG's clients with their settlement claim forms discussed in my July 10, 2018 Declaration (Ex. 4, ECF No. 3580-5), WG began an effort on July

[1] In ¶44 of the July 10, 2018 Guerra Declaration (Ex. 5, ECF No. 3580-6), Mr. Guerra stated that WG had not yet tried to capture "roughly 50,000 hours" of non-common benefit time spent by WG staff. This reference to "roughly 50,000 hours" was to hours by temporary employees contracted by WG to work on Syngenta; that figure has now been calculated to be 44,790.49 hours.

16, 2018 whereby its non-attorney Mass Tort Office employees would call each WG client in order to assist them to complete their settlement claims form at www.cornseedsettlement.com.

(a) There are thirty (30) WG Mass Tort Office employees placing calls full-time. By my instruction, they will continue to do so full-time, five days a week, between August 3, 2018 and the claims deadline of October 12, 2018. Just for this call project, it is projected that WG non-attorneys will expend 12,000 hours (30 employees, 8 hours a day, 5 days a week, 10 weeks) calling WG clients between August 3, 2018 and the claims deadline of October 12, 2018.

(b) WG anticipates it will spend $95,190 between in actual costs August 3, 2018 and October 12, 2018, categorized as follows:

1. Long distance telephone - $ 20,000.00
2. Mailers
   - August 11, 2018 - $ 44,862.70
   - September 11, 2018 - $ 20,327.67
3. Telephonic Town Halls[2] - $ 10,000.00

10. Attached as **Exhibit A** to the WG Supplement is a true and correct copy of PDF printouts generated from WG's completed time and expense spreadsheets. As the expense spreadsheet shows, in total—not including its internal General and Administrative expenses—WG has spent **$15,209,561.12** in actual costs on this litigation against Syngenta.

[2] On August 14-15, 2018 and September 13-14, 2018, WG will conduct a total of four telephonic town halls, with mass phone calls being placed to each of its clients for whom it lacks confirmation that a settlement claim form has been filed. Each of these town-hall calls will cost approximately $2,500.

11. I asked WG's associate counsel in this matter (that is, other members of the "Watts Guerra Group") to send me their own completed time and expense spreadsheets, for filing as required by Judge Lungstrum's Order. I received those spreadsheets from 203 of WG's associate counsel. For the Court's convenience, I directed my staff to combine those spreadsheets into a single pair of Excel workbooks, organized with tabs, and summary spreadsheets (one for time, one for expenses), which were created simply by totaling the amounts for each time and expense category from the completed spreadsheets provided by WG's associate counsel. My staff also created a summary sheet with the firm-by-firm and aggregate totals for time and expenses.[3] Attached as **Exhibits B and C** to the WG Supplement are true and correct copies of PDF printouts generated from the completed time and expense spreadsheets provided to me by WG's associate counsel, and the summary spreadsheets created by my staff.

12. Finally, I noticed a mistake in the list of WG's 332 associate counsel attached as Appendix B to my original Declaration (Ex. 4, ECF No. 3580-5, filed July 10, 2018). Specifically, that Appendix B mistakenly included four law firms—Johnson Becker PLLC, Weller Green Toups & Terrell LLP, The Coffman Law Firm, and Roth Law Office—which are *not* WG associate counsel; rather those four law firms undertook to represent certain of WG's producer clients, despite WG's active representation of those clients and related fee interests in their cases. WG will address the acts of those four law firms, and enforce its liens in the recoveries of those clients, at the appropriate time and in the appropriate way. None of the time and expenses of these four firms is included in the Exhibits submitted with this declaration.

[3] The spreadsheets provided by WG's associate counsel have not been audited by me or my staff; each associate counsel is responsible for its own spreadsheets.

I declare under penalty of perjury pursuant to 28 U.S.C. §1746 that everything I have stated in this Declaration is true and correct.

Executed this 3rd day of August, 2018

in Sonoma County, California.
