Court File No. 27-cv-15-3785

**SHIELDS LAW GROUP, LLC'S SUPPLEMENTAL MOTION / APPLICATION FOR
ATTORNEY FEES AND EXPENSES AND CORRESPONDING DECLARATION OF
ATTORNEYS SPENCER C. SHIELDS AND JAMES T. YOAKUM**

Pursuant to the MDL Court's Order Regarding Attorney Fee Submissions ... (MDL Doc. 3613 dated July 18, 2018), Shields Law Group, LLC submits the following supplementation in support of its Motion/Application for Fees and Expenses on its 2,500+ signed 30% contingent fee contracts with Producers and Non-Producers.

LEGAL ARGUMENT & SUPPORT

All of the Shields Law Group *Syngenta* clients' Producer and Non-Producer cases, exceeding 2,500 in number, are filed into the Minnesota state court consolidated proceeding, Court File No. 27-cv-15-3785. As such the Shields Law Group Application for Fees and Expenses is addressed to the Honorable Laurie Miller, presiding Judge in the Hennepin County District Court.

For the sake of brevity, all prospective legal briefing to be filed by the Minnesota Class Co-Lead Counsel in support of common benefit award in relation to the Shields Law Group attorney time, expense and staff effort spent complying with Court ordered Plaintiff Fact Sheets (hereinafter “PFS”) and proof of production documents, is incorporated herein by reference as though fully set forth herein. Further, all prospective legal briefing to be filed by the Minnesota Individual Co-Lead Counsel in support of our firm’s signed contingency fee contracts, *Exh. B* to our initial Motion, is hereby incorporated by reference as though fully set forth herein.

ADDITIONAL FACTUAL SUPPORT

I. **Court Ordered Excel Spreadsheet for Fees & Expenses:** Shields Law Group, LLC (hereinafter “SLG”) incorporates herein its firm’s Excel spreadsheet, setting forth its most comprehensive compilation of aggregated time and expenses incurred on the *Syngenta* litigation. Since its inception in 2006, SLG almost exclusively represents clients on contingent fee relationships. The *Syngenta* litigation was no different. Interestingly, under information and belief, one or more of the MDL PSC firms too represented its Producer clients on such contingency arrangements, offering a hybrid contract that the client’s cases could be prosecuted either individually or through a class action process. To the best of our information, none of the representative MDL plaintiffs were ever asked to advance fees or expenses in their cases. SLG clients were no different. SLG assumes that had one or more class certifications not occurred, that one or more of the MDL PSC firms would be petitioning the various Courts at this exact moment for the enforcement of their contingency fee contracts, along with the rest of us.

II. **Supplementation of SLG Phone Records for 2015:** SLG previously filed with the Court the firm's telephone billing records for Dec. 22, 2015 through June 19, 2018, documenting for the Court our *Syngenta* "phone time" with SLG clients in this litigation. As supplementation to our 2016 through 2018 telephone records attached as *Exh. V* to our initial Motion/Application for Fees & Expenses, SLG now offers to the Court its *Exh. V II* (attached hereto) as supplementation to the record. SLG has 4 lines for *Syngenta* legal purposes, and approximately 95% or more of the minutes documented in *Exh. V* and *V II* on those 4 lines are for *Syngenta*.

In the year 2015, *Exh. V II* documents the following minutes spent by SLG's two attorneys, Spencer Shields and Jim Yoakum, on the phone offering counseling and legal advice to SLG's Producer clients about their *Syngenta* cases:

2015 phone minutes:

2,209 minutes December 23rd to January 22nd

2,881 minutes January 23rd to February 22nd

2,962 minutes February 23rd to March 22nd

4,669 minutes March 23rd to April 22nd

6,519 minutes April 23rd to May 22nd

2,863 minutes May 23rd to June 22nd

4,008 minutes June 23rd to July 22nd

3,561 minutes July 23rd to August 22nd

6,103 minutes August 23rd to September 22nd

6,288 minutes September 23rd to October 22nd

7,952 minutes October 23rd to November 22nd

4,384 minutes November 23rd to December 22nd

54,399 minutes for 2015 phone calls

In total, our 2015 *Syngenta* "phone time" alone was approximately 906.65 hours of incurred attorney time. It is noted SLG was using no support staff in 2015 for the *Syngenta* litigation; only two attorneys fielding all phone calls. It was the foundation for our success. SLG attorneys counseled its Producers literally seven days a week, from sun up to sun down, throughout 2015. Our Producers

related that they very much appreciated the opportunity to speak to an attorney, and not support staff, about their *Syngenta* case. We received many referrals from clients because we had two attorneys dedicated to counseling clients. We have continued with this attorney dedication as much as possible up and through the settlement program.

Based upon a 40-hour work week, our 2015 *Syngenta* “phone time” alone comprises roughly 23 weeks of attorney time spent on the *Syngenta* litigation. It does not include the countless hours reviewing all contract submissions, responding to hundreds of emails and faxes from Producers, nor consulting secretary of state resources regarding the legal status of clients’ LLC’s, partnerships, trusts, companies, LLP’s, etc. to make sure they were filed into the case in their proper legal format. It does not include the preparation for, and time conducting, multiple town hall meetings for Producers across the State of Kansas. It also does not include the countless hours staying abreast of the litigation, as we were ethically required to do as part of our representation, reviewing all filed briefing, expert reports, motions, etc. As stated previously we attended nearly all, if not all, of the *Syngenta* hearings conducted in both Minnesota state court and the federal MDL in Kansas City, Kansas. We also attended all bellwether trials in both Courts.

Our phone logs serve as the evidentiary back bone for our firm’s claim of 5,000 hours of incurred attorney time in 2015 giving counsel, advice and work on behalf of our *Syngenta* clients. Our signed contingency fee contracts, *Exh. B* to our initial Motion/Application, speak volumes as well. The *Syngenta* litigation was not a mere side undertaking for our firm. We were knee deep in corn since January 2015, for lack of a better word.

III. **Supplementation of SLG Phone Records for the 2018 Global Settlement Process:**

Further, in our firm's initial Motion/Application for Attorney Fees & Expenses, since the *Syngenta* settlement program began we documented our SLG phone minutes as follows:

(5-10-18 www.CornSeedSettlement.com Opens for Settlement)

5,092 minutes April 20 to May 19, 2018

10,726 minutes May 20 to June 19, 2018

As additional support for our firm's claim of time incurred counseling and advising SLG clients during settlement, our most recent phone log from June 20, 2018 to July 19, 2018 is attached as *Exh. V III*. It documents the following:

5,708 minutes June 20, 2018 to July 19, 2018

We presently have confirmed over 71% of our 2,500+ clients have staked their claims on the *Syngenta* global settlement fund available for Producers and Non-Producers. Our attorneys and staff continue to work daily advising, counseling and helping our clients through the settlement process. The last 29% will be the most difficult, as from experience these are usually the most confused and/or stubborn of our clients. Our time incurred, and expected time to be incurred through the end of the settlement program, are set forth in our Motion/Application for Fees & Expenses as well as the attached Court Ordered Excel spreadsheet. The Excel spreadsheet has also been emailed to the Special Masters as directed by the Court.

IV. **SLG Spent \$371,177.79 Globally in Various Support of the Syngenta Litigation Effort:**

In its initial Motion/Application for Fees & Expenses, SLG produced Expense ledgers detailing *Syngenta* related charges exceeding \$400,000. As part of its completion of the Court

Ordered Excel spreadsheet, *attached hereto*, SLG sets forth \$371,177.79 in various litigation related expenses, categorized as requested by the Court.

CONCLUSION AND PRAYER

As documented, **our firm put in some 8,336.6 hours toward common benefit PFS and production of documents.** See *Exh. N* to our initial Motion. Additionally, as set forth in the attached Excel spreadsheet, **SLG expended approximately \$371,177.79 toward the Syngenta litigation** and continues to spend more daily toward the goal of getting 100% of our clients through the settlement process. **\$13,522.26 of that was toward PFS and production of documents.** See *Exh. N.b.*

Since April 2018, SLG Attorneys Spencer Shields and Jim Yoakum have been working the *Syngenta* settlement full time, with the assistance of staff. **Attorney time for purposes of settlement will approximate 1,840 additional hours (running up and through October 12, 2018), and staff time will be approximately 1,000 hours (most of which has already been incurred).**

Then in 2015, SLG Attorneys Spencer Shields and Jim Yoakum conservatively estimate 5,000 hours together spent informing and educating the farming community about the case, signing 2,500 Producers to contract and filing litigation in Minnesota on their behalf, and keeping them all updated on the litigation as a lead into 2016 when the Court Ordered PFS and proof of production be submitted by all filed Producers.

In summary, the above time would be billed as follows:

- Jan. 1, 2016 to April 31, 2018: PFS Production @ Common Benefit Rates **\$5,280,683.25**

(With No Loadstar)

- April 1, 2018 to October 12, 2018: Settlement Time @ Firm Billable Rates/Atty **\$1,196,000.00**

“ @ Firm Billable Rates/Staff **\$ 125,000.00**

- Jan. 1, 2015 to December 31, 2015 – client education, development, aggregation **\$3,250,000.00**

TOTAL ATTORNEY/STAFF TIME: \$9,851,683.25

EXPENSES INCURRED TO DATE: \$ 371,177.79

(See attached Amended Declaration of Spencer C. Shields.)

For all of the above stated reasons, as well as those previously presented, SLG seeks an award of attorney fees and expenses in line with our 30% fee contracts signed with all our clients, in direct proportion to all their prospective settlement payments. Our best and most accurate estimate of our incurred time and expenses on the *Syngenta* litigation, from 2015 through the present, is provided in the Court Ordered Excel spreadsheet and is in further support of the reasonableness of our 30% fee request. In the event our client contracts are not enforced, then we seek an award of fees and expenses from the *Syngenta* Attorney Fee and Expense Fund commensurate with our extraordinary amount of time and expenses put forth on this litigation on behalf of all of our Producer and Non-Producer clients.

**Court File No. 27-cv-15-3785
Judge: Laurie Miller**

**AMENDED DECLARATION OF SPENCER C. SHIELDS
IN FURTHER SUPPORT OF
THE SHIELDS LAW GROUP LLC'S APPLICATION FOR FEES & EXPENSES**

I, Spencer C. Shields, declare as follows:

1. I am over the age of twenty-one years old and make this declaration based upon my personal knowledge. If called as a witness, I could and would testify competently to the facts contained herein, which are true and correct to the best of knowledge and belief.

2. I am a principle of Shields Law Group, LLC (hereinafter "the Firm"). I am authorized to submit this declaration on the Firm's behalf.

3. I submit this amended declaration in support of the Shields Law Group, LLC's Application for Fees & Expenses ("the Application"), filed pursuant to Section 7.2.1 of the Agrisure Viptera/Duracade Class Settlement Agreement (the "Settlement Agreement") in *In Re: Syngenta AG MIR 162 Corn Litigation*, a multi-district litigation consolidated in the United

States District Court for the District of Kansas before Hon. John W. Lungstrum (MDL-2591), and *In Re: Syngenta Litigation*, a Minnesota Consolidated Proceeding consolidated in the Fourth Judicial District Court, Hennepin County, Minnesota, before Hon. Laurie Miller (formerly Hon. Thomas Sipkins) (File Nos. 27-CV-15-3785 & 27-cv-15-12625).

4. The Firm represents 2,483 “filed” Producer plaintiffs in the Minnesota Agrisure/Viptera litigation against Syngenta on a 30% contingency fee basis; 21 “filed” Non-Producers in the Minnesota consolidated case, also on a 30% contingency fee basis; and we represent another approximately 120 corn producing entities which are not filed with any court but who have signed 30% contracts with the Firm. See *Exhibit A* to our Application, which is a true and accurate list of our *Syngenta* clients as generated from the Firm’s records. *Exh. B* contains a copy of all our signed client contracts.

5. Our clients agreed to written contingent fees of 30% of any recovery in this matter, with a waiver of expenses (except for common benefit assessments). As these were contingent fee agreements, our Firm advanced court costs and litigation expenses and would only be compensated if the clients recovered money. We have no other firms or attorneys on our contracts of employment, and no referral fee arrangements with outside counsel.

6. Because our representation is on a contingency basis, I did not in 2015 precisely track the time spent on this litigation since it was not anticipated this would be necessary. However, based on the review of our e-mails, notes, case management software, employee time statements and wages paid, miles traveled, town hall meeting schedules, speaking engagements, and other client and litigation materials, we have retrospectively estimated/calculated our 2015 time for two attorneys at 2,500 hours each, or 5,000 hours for the Firm. I will state the *Syngenta* litigation was 95% of my time spent in 2015 practicing law, and that Mr. Yoakum and myself were

literally working 6 to 7 days a week, sometimes 16 hours a day, on *Syngenta*. I recall receiving phone calls on Easter Sunday and speaking to prospective clients about their case. Routinely we would speak to Producers on the phone until 7, 8 even 9 p.m. at night. Phones usually started ringing at 7 a.m., if not earlier. For lack of a better word, the case consumed our Firm's time and resources in the year 2015. Our Firm's revenue was practically nothing for the entire year, as we were working on *Syngenta* full time plus overtime.

7. Our time January 2016 to April 2018 spent on this litigation, as set forth in our supporting Application and *Exh. N.a.*, details the time expended for Court Ordered PFS and proof of production. Upon belief I state that all time estimates and submissions are true and correct to the best of my knowledge and belief and commensurate with the work we performed January 2016 to April 2018.

8. Finally, since April 2018 we have again been working full time on *Syngenta* helping clients through the settlement process. We have dedicated to the settlement process two attorneys, two law clerks and one paralegal on and off. Our incurred time so far, and estimated times for settlement going forward, are discussed below in more detail.

9. Shields Law Group, LLC has acted as counsel in this matter and is filing an Application for a Fee & Expense Award based on the clients' gross recoveries under the Settlement Agreement and the private fee contracts with each client.

10. I was admitted to the Kansas bar in 1996, giving me twenty-two years experience practicing law. I was also admitted to the Missouri bar in 1997, and various Federal Courts including Kansas and the Western District of Missouri. I was admitted *Pro Hac Vice* in Minnesota by Order of the Hennepin County District Court for purposes of the *Syngenta* litigation only. My main practice areas include mass torts, civil trial practice, products

liability and personal injury. I have been doing complex litigation/MDL practice for eight years. MDL/complex litigation comprises 90% of my work as a litigation attorney currently. My current billable hourly fee for MDL/complex litigation work is \$850/hour. My partners' hourly rate and staff's hourly rates for work on complex litigation is all set forth in *Exh. N.a.*

11. The Firm spent a total of **8,336 hours on this litigation producing PFS and proof of production documents, per Court Order.** We have turned this time into the Minnesota leadership for our Firm's claim toward common benefit award.

In addition, the Firm spent, and will spend, an estimated **1,840 additional attorney hours, and staff time will be approximately 1,000 hours, on the class settlement process** running from April 2018 through September 2018, prior to the Court's October 12th deadline for claims.

Finally, **5,000 hours are estimated the Firm incurred in attorney time the entire year of 2015.** This was time spent informing and educating our farmers about the case, signing 2,500 Producers to contracts and filing litigation in Minnesota on their behalf. We also reviewed each of their operations to ensure that 100% of their production was filed into the case. Such legal work by an attorney in Kansas City would be billed by our Firm at \$650/hour.

12. The Firm also incurred **\$371,177.79** in *Syngenta* related expenses from January 2015 to present. **\$13,522.26** of these expenses were incurred producing PFS and proof of production documents on behalf of our clients.

13. The individuals in the Firm, other than myself, who worked on this matter are:

- A. James T. Yoakum – Attorney 20+ years
- B. Parker Kempin - Law Clerk
- C. Nick Hagenkord - Law Clerk

D. Sydney Chiles - Administrative Legal Assistant

E. Pamela Hill – Paralegal 20+ years

F. Morgan Kennedy - Administrative Legal Assistant

G. Amanpreet Kaur – Law Clerk

H. Grace Seeger – Legal Intern

I. Jacob Carrol – Legal Intern

J. Jessica Sheble – Administrative Legal Assistant

14. In December 2014, I began speaking with colleagues about the case and doing extensive research regarding the same. In March 2015 our Firm began hosting a series of town hall meetings to speak with farmers and sign contingency fee agreements for prosecution of their claims. We filed our first complaint in Minnesota in October 2015, and subsequently filed forty-one multi-plaintiff complaints through the end of 2017. All cases were timely conformed over to the Minnesota Master Complaints for Producers and Non-Producers, respectfully.

15. Starting in 2016, after the Plaintiff Fact Sheet Order was entered by Judge Sipkins, our firm spent thousands of hours contacting and meeting with farmers to obtain the documentation required by the Order, knowing that if the information was not produced by the court's deadlines, defense counsel could file a motion to dismiss our clients' cases barring our clients from ever recovering.

16. Overall, I kept informed about this case by communicating with other counsel, reading court pleadings and public reports, and participating in status calls, so that I could advise my clients as to the progress of the case—and I did keep them so informed, including by phone calls, emails, written correspondence, post cards and in person meetings. We attended all Court hearings, both in Minneapolis and Kansas City, as well as each of the bellwether trials.

17. I believe the settlement is fair and in the best interests of our clients and we have recommended to our clients that they participate in the class action settlement. Accordingly, the vast majority of the Firm's clients have chosen to participate in the class action settlement. Specifically, approximately sixty percent (71%) of the Firms' clients have already completed settlement submissions and have filed them or will do so shortly. I estimate the majority of the remaining forty percent (29%) will also participate by the October 2018 deadline. Thus, in addition to prior time spent litigating the case and advising clients, our Firm has—and will continue—to assist class members with the settlement process and will do so until all payments are made and the litigation is closed.

18. At current billable hourly rates for the Firm, the above time would be billed as follows:

- Jan. 1, 2016 to April 31, 2018: PFS Production @ Common Benefit Rates **\$5,280,683.25**

(With No Loadstar)

- April 1, 2018 to October 12, 2018: Settlement Time @ Firm Billable Rates/Atty **\$1,196,000.00**

“ @ Firm Billable Rates/Staff **\$ 125,000.00**

- Jan. 1, 2015 to December 31, 2015 – client education, development, aggregation **\$3,250,000.00**

TOTAL ATTORNEY/STAFF TIME: \$9,851,683.25

EXPENSES INCURRED TO DATE: \$371,177.79

I declare under penalty of perjury pursuant to 28 U.S.C. Sect. 1746 that the foregoing is true and correct to the best of my knowledge and belief.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Information about the Regulatory Programs Fee (RPF) and Taxes.

Beginning 3/21/2015, the RPF, as applicable, will increase from \$1.61 to \$2.71 per line per bill cycle. For more detail about the RPF refer to the Need to Know section above. At the same time, we are updating the way your taxes are calculated which in many cases will result in a reduction in the taxes you are charged.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Information about the Regulatory Programs Fee (RPF) and Taxes.

Beginning 3/21/2015, the RPF, as applicable, increased from \$1.61 to \$2.71 per line per bill cycle. For more detail about the RPF refer to the Need to Know section above. At the same time, we have updated the way your taxes are calculated which in many cases has resulted in a reduction in the taxes you are charged.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

EasyPay Terms and Conditions

EasyPay is an automatic payment feature. Once enrolled, the following EasyPay Terms and Conditions will apply and you authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your reoccurring rate plan and feature charges, usage and add-on services, incidental purchases, and applicable taxes, fees and surcharges). Funds will be withdrawn or charged to your card 3 days before your account's due date. You may stop a withdrawal/charge or cancel the EasyPay feature by giving us at least 3 business days' notice before the scheduled date of withdrawal/charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind incurred as a result of an error in your account or delayed transfer or charge. You must promptly notify us of any changes to your EasyPay information, and our only liability is to make appropriate changes after we receive your updated information. Participation in EasyPay will remain in effect until cancelled by you, the credit card issuer, financial institution or T-Mobile, and all transactions authorized before cancellation will be completed. Check with your bank/card issuer for any charges or fees they may assess. T-Mobile may change these terms and conditions at any time by giving you notice by any means.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

EasyPay Terms and Conditions

EasyPay is an automatic payment feature. Once enrolled, the following EasyPay Terms and Conditions will apply and you authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your reoccurring rate plan and feature charges, usage and add-on services, incidental purchases, and applicable taxes, fees and surcharges). Funds will be withdrawn or charged to your card 3 days before your account's due date. You may stop a withdrawal/charge or cancel the EasyPay feature by giving us at least 3 business days' notice before the scheduled date of withdrawal/charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind incurred as a result of an error in your account or delayed transfer or charge. You must promptly notify us of any changes to your EasyPay information, and our only liability is to make appropriate changes after we receive your updated information. Participation in EasyPay will remain in effect until cancelled by you, the credit card issuer, financial institution or T-Mobile, and all transactions authorized before cancellation will be completed. Check with your bank/card issuer for any charges or fees they may assess. T-Mobile may change these terms and conditions at any time by giving you notice by any means.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. You can review your Terms and Conditions online at t-mobile.com/terms-conditions.

Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

EasyPay is an automatic payment feature. Once enrolled, the following EasyPay Terms and Conditions will apply and you authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your reoccurring rate plan and feature charges, usage and add-on services, incidental purchases, and applicable taxes, fees and surcharges). Funds will be withdrawn or charged to your card 3 days before your account's due date. You may stop a withdrawal/charge or cancel the EasyPay feature by giving us at least 3 business days' notice before the scheduled date of withdrawal/charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind incurred as a result of an error in your account or delayed transfer or charge. You must promptly notify us of any changes to your EasyPay information, and our only liability is to make appropriate changes after we receive your updated information. Participation in EasyPay will remain in effect until cancelled by you, the credit card issuer, financial institution or T-Mobile, and all transactions authorized before cancellation will be completed. Check with your bank/card issuer for any charges or fees they may assess. T-Mobile may change these terms and conditions at any time by giving you notice by any means.

Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.

Please contact T-Mobile with any questions or disputes about your service or bill. You can reach T-Mobile by calling (800) 937-8997 or 611 from your T-Mobile device-TTY (877) 296-1018, by visiting our website at t-mobile.com, or by writing to T-Mobile Customer Relations, P.O. Box 37380, Albuquerque, NM 87176-7380. You can view your bill and usage details for free online by logging into your account at t-mobile.com. Throughout this bill, data is rounded up to the nearest KB each use, and, for billing, rounded up to the nearest MB at the end of each billing cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, and charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.

In Puerto Rico, additional support is available for low income consumers from the PR Universal Service Fund, administered by the PR Telecommunications Regulatory Board. Visit <http://www.t-mobilepr.com/lifeline> or T-Mobile stores for more info.

Data is rounded up to the nearest KB for each use & for billing, rounded up to the nearest MB at the end of each bill cycle. If you switch data plans mid-cycle, for billing, data will be rounded up to the nearest MB at time of the change, & charges may not be displayed separately for each plan. 1024 KB = 1 MB, 1024 MB = 1 GB.
