

Corn Seed Settlement Program

A Message from the Claims Administrator for the Corn Seed Settlement Program

The COVID-19 pandemic has forced all of us to face an uncertain time. To comply with federal, state, and local rules regarding social distancing and to reduce the risk of exposure and infection, the Claims Administrator has transitioned much of its staff to work remotely.

The Claims Administrator is fully operational. We are answering phone calls, processing claims, issuing notices, mailing interim payment checks, and performing many other functions to administer this Settlement Program. We have experienced no issues in quality and timeliness of service, and our systems are operating without interruption.

If you have questions or concerns during these unprecedented circumstances, call the Claims Administrator at 1-833-567-CORN (2676), or email us at Questions@CornSeedSettlement.com.
